

Community
Conservation
Symposium

***Are you working, volunteering or interested
in community conservation projects?
Then this is for you!***

14 & 15 June 2018
Shantytown

***Come and discover the latest how, what, and why
for conservation on the West Coast and make the most of this
great opportunity to learn and to network!***

***A day of presentations covering everything you need to know,
whatever your level of experience, followed by a day of field trips
to local community conservation projects.***

***14th June: \$75 (students \$25) including catering and
midwinter dinner***

15th June: Field trips \$25 - \$40
