Term 4: Week 2 21st October, 2016

Band Camp 2016

In the last week of term 3 Mr. Donnelly, myself and 7 VC music students set off on the long journey to Hagley College in Christchurch for a few days of fulltime music classes and NCEA assessments. On the first day we were lucky enough to go for a swim at Hanmer Springs before settling into our accommodation in Christchurch, where there was a much appreciated spa pool. On the Wednesday we went to Hagley College and after a vocal warmup with a vocal demonstration by some of the Hagley music students, we were put into groups to learn our songs for the scheduled performance on Friday. That night we were invited to the annual "Hagley On Show" concert. We got to listen to music in varying genres from jazz to hiphop to classical guitar. It was an outstanding performance that we all enjoyed very much

Thursday we spent the day learning and perfecting our songs, as well as the students getting assessed for their NCEA exams. The results have been very impressive to say the least, with all students achieving and some even getting merit and excellence! On Thursday evening we went to Hoyts Cinema and watched a (not so) scary movie. On the Friday morning it was time for one last quick rehearsal before our performances. There was only one other school present, so it was a smaller audience than last year. I must say all our students performed very well and have made good progress throughout the school year. I am very proud of all the students, let's keep up the good work!
