BULLER REAP YEAR 8 DISCOVERY DAY

It was a fantastic success. The students were very excited, attentive and participated brilliantly in the whole day, gaining so much for their own personal development – we've had some fabulous feedback from the students, teachers who attended the day and parents.

A huge thank you to our main sponsors for the day, West Coast Community Trust, Tindall Foundation, Community & Public Health and the Rapid Relief Team, whom helped make this day the success that it

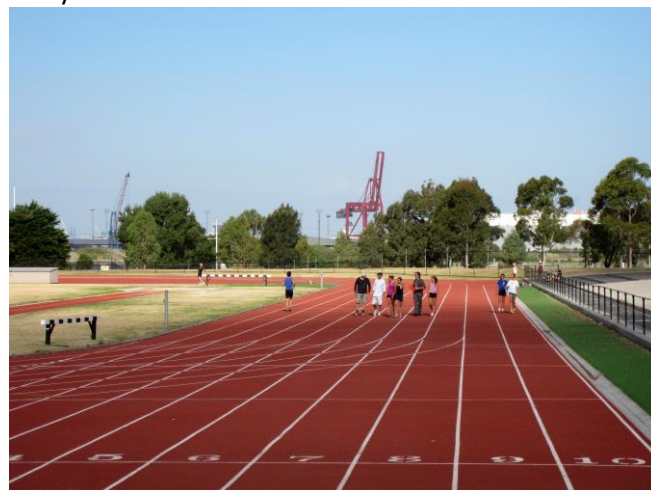

was, along with many other contributions of assistance and items from local businesses and organisations in the community.

Athletics Tuesday 8th November

10.00 am start

All welcome to attend.
Please contact Vicky Chandler if you are able to help with timing/measuring/recording on the day.
The weather is forecast to be fickle but so far Tuesday still looks suitable.
Please bring umbrella's and be prepared for a few light showers.
